AUDIT COMMITTEE MEETING

The Audit Committee was called to order by Committee Chairperson Kevin Murray at 2:30 p.m. Chairperson Murray moved adoption of the minutes from the May 8, 2014 LGAC Audit Committee meeting, the move was seconded, and the members approved the minutes.

The Chairperson then noted that the Basic Financial Statements had been distributed to Audit Committee members for review and that LGAC's independent auditor, SaxBST, have found the statements to be in accordance with GASB standards.

Brendan Kennedy of SaxBST gave a brief overview of the Statements and SaxBST's findings. The Chairperson recommended that the Committee take the necessary action to allow the Board to authorize the Basic Financial Statements for fiscal year 2013-14.

The Committee members indicated that they had reviewed the memorandum and, as there were no questions or comments, made a motion that the proposal be advanced and recommended for approval by the Board.

The Audit Committee approved the proposal and the meeting was adjourned.
