

Fiscal Stress Monitoring System®

Not Filed and Inconclusive Schools Fiscal Years Ending 2023

The Fiscal Stress Monitoring System (FSMS) and resulting fiscal stress designations rely on data from annual financial reports submitted by local governments to the Office of the State Comptroller.

This list includes schools with a 2023 fiscal year end. The schools noted did not file their annual financial report or reported data that was inconclusive for FSMS purposes as of the date their score was to be calculated, and therefore a fiscal stress score could not be calculated.

Schools
