WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT:

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

### I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X). Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the contract amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix for that PERIOD.

C. This AGREEMENT incorporates the face pages attached and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (The attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT to modify the AGREEMENT within an existing PERIOD; the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the term, is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A1.

**STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the

Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-

a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the

agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.** In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of

\$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The

contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

**13. CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

**14. GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

**15. LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

**16. NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**17. SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

**18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by

any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

**19. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

**22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

**23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.** If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

**Appendix A-1(a)**  
**Contractor Requirements And Procedures For Business Participation Opportunities For**  
**New York State Certified Minority- And Women-Owned Business Enterprises (MWBE)**  
**And Equal Employment Opportunities For Minority Group Members And Women**

1. New York State Law

- a. Pursuant to New York State Executive Law Article 15-A, OMH recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of OMH contracts.
- b. In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state procurement contracting versus the number of minority-and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that OMH establish goals for maximum feasible participation of New York State Certified minority- and women – owned business enterprises ("MWBE") and the employment of minority groups members and women in the performance of New York State contracts.

2. Business Participation Opportunities for MWBEs

- a. OMH has developed compliance requirements, forms and procedures to ensure that contractors shall comply with requirements to ensure equal employment opportunities for minority group members and women, and that there are meaningful participation opportunities for certified MWBEs in the OMH procurement process. Contractors participating in and/or selected for procurement opportunities with OMH shall fulfill their obligations to comply with applicable Federal, State and Local requirements concerning Equal Employment Opportunity (EEO) and opportunities for MWBE, including but not limited to Article 15-A and its implementing regulations as promulgated by the Empire State Development (ESD) Division of Minority and Women's Business Development (DMWBD) and set forth at 5 NYCRR Parts 140-144.
- b. OMH has established an overall agency goal of 30% for MWBE participation, 16% for Minority-Owned Business Enterprises (MBE) participation and 14% for Women-Owned Business Enterprises (WBE) participation. For this contract, the goals for MWBE participation have been established as follows:

**Appendix A-1(a)**  
**Contractor Requirements And Procedures For Business Participation Opportunities For  
New York State Certified Minority- And Women-Owned Business Enterprises (MWBE)  
And Equal Employment Opportunities For Minority Group Members And Women**

**Total MWBE participation: \_\_0\_\_%**

**MWBE \_\_0\_\_% participation is comprised**

**of: MBE: \_\_0\_\_% and WBE: \_\_0\_\_%**

The contractor ("Contractor") on the subject contract ("Contract") must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and Contractor agrees that OMH may withhold payment pending receipt of the required MWBE documentation. The directory of New York State Certified MWBEs can be viewed at: [Division of Minority & Women Business Development](#). For guidance on how OMH will determine a Contractor's "good faith efforts," refer to 5 NYCRR §142.8.

- c. In accordance with 5 NYCRR §142.13, Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and OMH may withhold payment from the Contractor as liquidated damages.
- d. The Contractor agrees to submit the following documents and information as evidence of compliance with the foregoing:
  - i. Contractors are required to submit a MWBE Utilization Plan on [Exhibit 1](#) with their bid or proposal or, if not previously submitted with its bid or proposal, with the original contract documents. Contractors shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. b. Contractor shall defend, indemnify and hold Covered Entity harmless against all claims, losses, liability, costs and other expenses (including reasonable attorneys' fees), without limitation (collectively, "Liability"), resulting from or arising out of the acts or omissions of Contractor in the performance of its duties and obligations under this Business Associate Agreement, except to the extent that such Liability results from or arises out of the acts or omissions of Covered Entity. Contractor's Liability under the foregoing provision shall include responsibility to pay, or where appropriate, to reimburse Covered Entity, for all costs associated with notification required by HIPAA or HITECH due to a Breach within the meaning of this Business Associate Agreement, except to the extent that such Liability results from or arises out of the acts or omissions of Covered Entity. Contractor shall be fully liable for the actions of its agents, employees and subcontractors.

c. The terms of this Section 9 shall survive expiration or termination of the Agreement.

**10. Consideration**

Contractor acknowledges that the promises it has made in this Business Associate Agreement shall, henceforth, be relied upon by Covered Entity in choosing to continue or commence a business relationship with Contractor.

**11. Interpretation of this Business Associate Agreement in Relation to Other Contracts Between the Parties**

Should there be any conflict between the language of this Business Associate Agreement and any other contract or agreement entered into between the Parties (either prior or subsequent to the date of this Business Associate Agreement), the language and provisions of this Business Associate Agreement shall control and prevail unless, in a subsequent written agreement, the Parties specifically refer to this Business Associate Agreement by its title and date, and specifically state that the provisions of the later written agreement shall control over this Business Associate Agreement; except that in the event of a conflict with Appendix A (Standard Terms and Conditions of New York State Contracts) in any agreement to which such Appendix A applies (either prior or subsequent to the date of this Business Associate Agreement), Appendix A shall govern.

**12. Term and Termination**

a. Term. The provisions of this Business Associate Agreement shall be effective as of the effective date of the Agreement and shall survive termination of the Agreement and shall not terminate unless and until all Protected Health Information is destroyed, or returned to Covered Entity or, if it is infeasible to return or destroy Protected Health Information, in accordance with the termination provisions in Section (c)(2) of this Section, in which case Contractor's obligations hereunder shall continue for so long as Contractor maintains the Protected Health Information.

**APPENDIX F  
BUSINESS ASSOCIATE AGREEMENT**

b. Termination for Cause. A breach of this Business Associate Agreement by either party shall be considered a material breach of the Agreement and may be grounds for termination of the Agreement for cause.

c. Effect of Termination.

(1) Except as provided in subparagraph (2) of this paragraph, upon termination of the Agreement for any reason, Contractor shall return to Covered Entity or destroy all Protected Health Information received from Covered Entity, or created or received by Contractor on behalf of Covered Entity. This provision shall apply to all Protected Health Information that is in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of the Protected Health Information. Upon request by Covered Entity, Contractor shall certify in writing to Covered Entity that all Protected Health Information has been returned or destroyed as required by this section.

(2) In the event that Contractor determines that returning or destroying the Protected Health Information is infeasible, Contractor shall provide to Covered Entity notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the Parties that return or destruction of Protected Health Information is infeasible, Contractor shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further uses and disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such Protected Health Information. Upon request by Covered Entity, Contractor shall certify in writing to Covered Entity that it has taken all the steps required by this section to protect Protected Health Information which could not feasibly be returned or destroyed.

**13. Miscellaneous**

a. Regulatory References. A reference in this Business Associate Agreement to the HIPAA Rules means the rules as in effect or amended, and for which compliance by a Covered Entity and/or Business Associate is required.

b. Amendment. The Parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for compliance with the requirements of the HIPAA Rules and the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.

c. Survival. The respective rights and obligations of Contractor under Section 9 of this Business Associate Agreement shall survive the termination of this Business Associate Agreement.

d. Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits compliance with the HIPAA Rules.

- b. Limits on Administrative Expenses and Executive Compensation (14 NYCRR Part 513, incorporated herein by reference) –
  - i. If CONTRACTOR is a “covered provider” within the meaning of 14 NYCRR Part 513.3(d) at any time during the life of this Agreement, then during the period when CONTRACTOR is such a “covered provider”:
    - a) CONTRACTOR shall comply with the requirements set forth in 14 NYCRR Part 513, as amended; and
    - b) CONTRACTOR’s failure to comply with any applicable requirement of 14 NYCRR Part 513, as amended, including but not limited to the restrictions on allowable administrative expenses, the limits on executive compensation, and the reporting requirements, may be deemed a material breach of this Agreement and constitute a sufficient basis for, in the discretion of the Office, termination for cause, suspension for cause, or the reduction of funding provided pursuant to this Agreement.
  - ii. CONTRACTOR shall include the following provision in any agreement with a subcontractor or agent to provide program or administrative services under this CONTRACT:  
[Name of subcontractor/agent] acknowledges that it is receiving “State funds” or “State-authorized payments” originating with, passed through or approved by the New York State Office of Mental Health in order to provide program or administrative services on behalf of [Name of CONTRACTOR]. If at any time during the life of this Agreement [Name of subcontractor/agency] is a “covered provider” within the meaning of Section 513.3(d) of OMH regulations, [Name of subcontractor/agent] shall comply with the terms of 14 NYCRR Part 513, as amended. A failure to comply with 14 NYCRR Part 513, where applicable, may be deemed a material breach of this Agreement constituting a sufficient basis for suspension or

termination for cause. The terms of 14 NYCRR Part 513, as amended, are incorporated herein by reference.

## **B. Program Specific Terms and Conditions for Recipients of OMH Aid-to-Localities Funding**

### **1. General**

- a. OMH requires CONTRACTOR to comply with specific instructions applicable to the conduct of the program or programs funded under this Agreement, including requirements and limitations applicable by virtue of the funding source for this Agreement. Such instructions are referred to herein collectively as "Guidelines" and shall be deemed incorporated by reference and a binding part of this Agreement. CONTRACTOR shall adhere to all provisions contained in the applicable Guidelines, all of which are available in PDF format at <http://www.omh.ny.gov/omhweb/spguidelines>. In the event that a conflict exists between the Guidelines and this Agreement, the provisions of this Agreement shall govern.
- b. In addition, CONTRACTOR is required to comply with all OMH fiscal and program reporting requirements, including, but not limited to completion and submission of the following: Consolidated Fiscal Report (CFR), including Consolidated Budget Report (CBR) and Consolidated Claim Report (CCR); Patient Characteristics Survey (PCS); New York State Department of Labor/Office of Mental Health Employment Support System (replaces NYISER system); Mental Health Provider Data Exchange (MHPD); and Children and Adult Information Reporting System (CAIRS). In addition to any other Deliverables provided for this Agreement, all such fiscal and program reports shall be deemed "Deliverables" as that term is used in Appendix C hereof. Accordingly, as set forth in Appendix C, OMH may, in its sole discretion, withhold any State Aid and/or Medicaid payment due under this Agreement until such time as the CONTRACTOR has submitted to OMH all Deliverables, including reports, which are due prior to any scheduled payments.

### **2. Payments**

- a. Payments: OMH will make payments as set forth in Appendix C hereof ("Payments"). Such Payments may be used only for Eligible Expenditures as defined herein.
- b. Sums Subject to Recapture: OMH shall be entitled to recoup from any Payment made to CONTRACTOR any amount, under this or any contemporaneous or predecessor agreement, by which Payment exceeds Eligible Expenditures less Income for the relevant period.
- c. Income shall mean those funds available to CONTRACTOR from any source whatsoever, as payment for or reimbursement of costs associated with the provision of Contract Services; but shall not include: funds paid by OMH to the CONTRACTOR pursuant to this Agreement or for purposes other than the provision of Contract Services; or, Gifts or Donations (contributions or endowments from non-governmental sources, intended to further the general

work and purposes of the CONTRACTOR and not for specific payment of an Eligible Expenditure), and may be limited as set forth in the Guidelines. As is consistent with good and prudent judgment, CONTRACTOR shall maximize all sources of income available to itself or its clients, and, encourage and assist all clients to or, on behalf of clients unable to do so, apply for income to which they are entitled.

- d. Eligible Expenditures are those actual, reasonable and necessary expenses incurred by the CONTRACTOR in the provision of contract services in accordance with and as limited by the amount set forth for these expenditures in the contract budget as contained in Appendix B, the Guidelines and the rules and regulations of the State Comptroller governing reimbursement of State employees (M/C Bargaining Unit), for expenses incurred while performing State business.
  - i. An expenditure shall not be an Eligible Expenditure if and to the extent that it exceeds the cost that a prudent person would pay in the open market under the circumstances prevailing at that time.
  - ii. Expenditures which are not Eligible Expenditures shall be disallowed and excluded from the calculation of Eligible Expenditures for purposes of determining Sums Subject to Recapture as provided above.
  - iii. The cost of items whose use is shared with non-contract purposes shall be prorated and only the portion utilized for the performance of contract services may be claimed as Eligible Expenditures. Except where payment is being prorated, no items claimed under any other agreement with the State of New York may be claimed hereunder.
- e. The CONTRACTOR shall not be paid for any Contract Services provided where New York State law or regulation requires that an operating certificate or similar authorization from an instrumentality of the State be issued before such Contract Services can legally be provided, unless CONTRACTOR possesses such authorization.

### 3. Acquisition of Property

The CONTRACTOR shall dedicate and utilize any real or personal property purchased or leased with funds provided under this agreement for purposes benefiting this and subsequent agreements with the Office of Mental Health, or its assigns, for the duration of that property's useful life. The CONTRACTOR hereby grants and assigns a purchase money security interest having first priority in all such property, even though hereafter acquired. The CONTRACTOR agrees that it will comply with the requirements concerning solicitation of bids and quotations as set forth in the Guidelines. CONTRACTOR shall cause sufficient insurance to be carried to cover all property acquired or let by the CONTRACTOR by virtue of this agreement, by reason of loss or damage attributable to any cause other than normal wear and tear. The CONTRACTOR shall execute any documents which OMH may reasonably require to effectuate the provisions of this section.

### **C. Community Mental Health Facility Real Estate Provisions**

1. OMH has the right to review and approve in writing any new contract for the purchase of or lease for rental of real estate operated as a necessary adjunct to the provision of the community mental health services as specified in this contract, if applicable, and any modifications, amendments or extensions of an existing lease prior to its execution. If, in its discretion, OMH disapproves of any lease, then OMH shall not be obligated to make any Facility Real Estate payments for such property.
2. No member, officer, director or employee of CONTRACTOR shall retain or acquire any interest, direct or indirect, in any Facility Real Estate, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the CONTRACTOR and the OMH.

### **D. Required Provider Training**

OMH periodically offers or supports training programs for providers of mental health services. Local Governmental Units (LGUs) and agencies which are licensed and/or receive direct or indirect funding from OMH, shall send appropriate representatives to such training, if directed to do so by OMH.

### **E. Mental Health Regulations**

Each provider who receives OMH State aid must comply with all applicable provisions of the *Official Compilation of Codes, Rules, and Regulations of the State of New York*, including, but not limited to Title 14 (Mental Hygiene).

### **F. Required Criminal History Background Checks**

Chapter 575 of the Laws of 2004 (Mental Hygiene Law § 31.35 and Executive Law §845-b) requires every provider of mental health services who is licensed by, contracts with or is otherwise approved by the Office of Mental Health, to request criminal history record checks for prospective employees and volunteers who will have regular and substantial unsupervised or unrestricted physical contact with clients. Chapter 673 of the Laws of 2006 further amends Executive Law § 845-b to expand the reach of the criminal history record check to also include a check of multi-state records maintained by the Federal Bureau of Investigation (FBI).

### **G. Consumer Specific Records**

In addition to any other requirements regarding record keeping, the records of accounts shall identify, in a manner designated by the OMH, all monies received and disbursed for or on behalf of each individual consumer. The OMH may review these and other consumer records, including records evidencing consumer identity.

**CONTRACT ASSIGNMENT  
STATE OF NEW YORK  
Office of Mental Health  
NYS CONTRACT # C020489**

**THIS CONTRACT ASSIGNMENT** (hereinafter referred to as the "Contract Assignment") is made this 1st day of July, 2020 among (i) the State of New York, acting by and through The Office of Mental Health with offices located at 44 Holland Avenue, Albany NY 12229 (hereinafter referred to as "the State") and (ii) Chapin Hall Center for Children, having its principal place of business at 1313 E. 60<sup>th</sup> Street, Chicago, IL 60637, with Employer Identification Number 362167012 and NYS Vendor Number 1000041427, (hereinafter referred to as "Assignor") and (iii) Praed Foundation, having a principal place of business at 550 North Kingsbury Street, Unit 101, Chicago, IL 60654, with Employer Identification Number 364322205 and NYS Vendor Number 1100062322 (hereinafter referred to as "Assignee"). The State, the Assignor, and the Assignee are hereinafter collectively referred to as "the Parties."

**WHEREAS**, the Assignor entered into a contract (hereinafter referred to as "the Contract") with the State for various Residential Housing programs for/to the State for specified consideration, all as fully described in the Contract; and

**WHEREAS**, the Assignor desires to assign the Contract to the Assignee, upon the consent of the State; and

**WHEREAS**, the Assignee desires to accept the assignment of the Contract from the Assignor, upon the consent of the State; and

**WHEREAS**, the State has determined that the Assignee is a responsible vendor that has the capacity and capability to perform the Contract.

**NOW WITNESSETH** that the Parties agree as follows:

1. The Assignor, for good and valuable consideration, does hereby assign, transfer and set over unto the Assignee all rights, title and interest in the Contract.
2. The Assignor warrants and represents there are no known liens against the Contract or against Assignor relating to the Contract at this time and Assignor has no reason to believe any such liens will be filed in the future, which may result in a finding this Contract Assignment was made to avoid payment of such liens.
3. The Assignee shall provide all of the contract deliverables and comply with all the duties, obligations and requirements set forth in the Contract.
4. The Assignee assumes all responsibilities with regard to manner of performance of the Contract, including but not limited to, and only where applicable, professional liability and the furnishing valid certificates of insurance and bonds thereof to be effective as of the date this Contract Assignment is approved as described below, or on some other date agreed to by the parties, provided however, that there shall

be no lapse or gaps in coverage afforded under such bonds and insurance to the State.

5. The Assignee shall defend, indemnify and save the State harmless from any claims, damages or causes of actions that the Assignor heretofore had, has or hereafter may have against the State arising out of the Contract.
6. The State reserves any and all rights of any kind or nature whatsoever which it may have against the Assignor and the State's consent to the assignment of the Contract is expressly conditioned upon the understanding that the Contract Assignment shall not operate to discharge any claims, demands or causes of action the State heretofore had, now has, or hereafter may have against the Assignor for or by any reason or any matter or thing whatsoever.
7. The effective date of the Contract Assignment, for payment purposes, is 4/1/2020.
8. Pursuant to State Finance Law §§139-j and 139-k, an assignment is a "governmental procurement" and, therefore, there are certain restrictions on communications during the assignment process. Both Assignor and Assignee are restricted from making "contacts" from the earliest notice of intent to assign the Contract through final approval of the Contract Assignment by the State ("restricted period") to other than designated staff unless it is a contact that is included among the statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, is identified in the "Contract Assignment Directions." These provisions also require that State employees obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Assignee. Certain findings of non-responsibility may result in rejection of an Assignment and, in the event of two findings of non-responsibility within a four-year period, the Contractor is debarred from obtaining any governmental procurement contracts. Further information about these requirements, including the certification that must be filed by the Assignee, in accordance with New York State Finance Law §139-k, can be found on the OGS website:  
[www.ogs.ny.gov/aboutOgs/regulations/defaultAdvisoryCouncil.html](http://www.ogs.ny.gov/aboutOgs/regulations/defaultAdvisoryCouncil.html)

The State reserves the right to terminate the Contract in the event it is found that the certification filed by the Assignee in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, the State may exercise its termination right by providing written notification to the Assignee in accordance with the written notification terms of the Contract.

9. The Contract Assignment is subject to approval by the Attorney General and the Comptroller of the State of New York.

**IN WITNESS WHEREOF**, the parties hereto have caused the Contract Assignment to be duly executed on the day and year first above written.
